6. **Your preferred recovery operator, if you have one**

When reporting **your claim**, please let **us** know if there are any circumstances which may affect the handling of **your claim**, such as if **you** are towing something, travelling with animals, in an area exposed to extreme weather conditions, or if any of **your passengers** have any special requirements **we** may need to take into consideration.

What to do when you breakdown

If **you** require the attendance of a **recovery operator**, **we** will contact **you** to advise which **recovery operator** will be attending and approximately how long they are expected to take. Where possible, please ensure **your** mobile phone is available to accept calls at all times in case **we** need to contact **you**.

You will need to be with the **vehicle** when the **recovery operator** arrives. If **you** would prefer not to wait with the **vehicle** or it is unsafe to do so, please inform **our rescue co-ordinator** who will arrange a call on approach, so **you** have sufficient time to return to the **vehicle**. If the Police or Highways Agency are present at the scene, please advise them that **you** have contacted **us** and provide them with **our** telephone number to call **us** on **your** behalf.

2. Policy Benefits

Please read the following benefits of cover in accordance with the level of cover **you** have purchased, which is detailed on **your policy schedule**.

UK Roadside

The following benefits are provided with all levels of cover.

Roadside Assistance & Home Assist

In the event of a **breakdown** occurring within the **territorial limits (UK)**, **we** will pay for a **recovery operator** to attend the **breakdown** and where they deem appropriate, they will spend up to 60 minutes to try and repair the **vehicle**.

Local Recovery up to 10 Miles

If, in the opinion of the **recovery operator**, they are unable to repair the **vehicle** within 60 minutes at the roadside, **we** will: -

- Either:** pay for the **vehicle** and **passengers** to be recovered to the nearest **suitable garage** which is able to undertake the repair within 10 miles from the scene of the **breakdown**;
- Or:** if the above is not possible at the time or the repair cannot be made within the same working day, **we** will pay for the **vehicle** and **passengers** to be transported to **your** chosen destination up to 10 miles from the scene of the **breakdown**.

Recovery of the **vehicle** and **passengers** must take place at the same time as the initial **callout** otherwise **you** will have to pay for additional **callout** charges.

If the **vehicle** requires recovery, **you** must immediately inform **our rescue co-ordinator** of the address **you** would like the **vehicle** taken to. Once the **vehicle** has been delivered to the nominated address, the **vehicle** will be left at **your** own risk and no further recovery costs will be covered in relation to the **claim**.

Alternative Travel in the UK

In the event of a **breakdown** within the **territorial limits (UK)** which occurs more than 20 miles from the **driver's home address**, **we** will pay up to £250 towards the reasonable cost of:

- Either:** standard class public transport tickets;
- Or:** an 'Economy' class hire car (including the costs of insurance and/or excess reduction fees) to enable the **passengers** to complete one single journey to either **your** original destination, or return to the **driver's home address**

This benefit shall only be provided where:

- the **vehicle** cannot be repaired within the same working day; and
- **you** opt to have **your vehicle** recovered to the nearest **suitable garage** to the **breakdown** location for repairs; and

We will also pay up to £150 towards the reasonable cost of alternative transport for one person to return and collect the repaired **vehicle**.

2. Policy Benefits

This benefit is in place to assist with the movement of **passengers** only, it is not designed to cover the cost of hiring a van or commercial vehicle.

Emergency Overnight Accommodation in the UK

If **you** are eligible for the **Alternative Travel** benefit above but would instead prefer to stay overnight close to where the **vehicle** is being repaired, **we** will pay up to £150 for a lone traveller or £75 per person towards the reasonable cost of overnight accommodation including breakfast for the **passengers** whilst the **vehicle** is being repaired. **We** will also pay reasonable expenses for the **passengers** to travel to their Emergency Overnight Accommodation. The maximum payment under this Emergency Overnight Accommodation benefit is £500 per **claim**.

Misfuel Assist

In the event **your vehicle's** fuel tank is filled with the incorrect type of fuel, **we** will pay up to £250 (inclusive of VAT) towards:

- a fuel drain and flush to be completed at the roadside; or
- the recovery of **your vehicle** and **passengers** to the nearest **suitable repairer** (within 10 miles) and their reasonable costs to drain and flush to **your vehicle's** fuel tank; and
- 5 litres of correct fuel.

Occasionally misfuelling a **vehicle** can cause extensive damage which a fuel drain and flush will not rectify. This policy does not cover repairs for damage in excess of £250.

Caravans and Trailers

In the event of a **breakdown** where a caravan/trailer is attached, providing the caravan/trailer is fitted with a standard 50mm tow ball coupling hitch and does not exceed 7 metres/23 feet in length (not including the length of the A-frame and hitch), **we** will also pay for the caravan/trailer to be recovered with the **vehicle**.

Keys

If **you** lose, break, or lock **your vehicle** keys within the **vehicle**, **we** will pay the **callout** and mileage charges back to the **recovery operator's** base or **your** preferred destination if closer. All other costs, including any **specialist equipment** needed to move the **vehicle** or secure storage costs will not be covered.

Message Service

If **you** require, **we** will pass on two messages to **your** home or place of work to let them know of **your** predicament and ease **your** worry.

UK National

If **you** have opted and paid for UK National cover, it includes the same benefits as UK Roadside cover, with the addition of National Recovery.

National Recovery

If the **vehicle** cannot be repaired within the same working day in accordance with UK Roadside cover, **we** will pay for the **vehicle** and **passengers** to be recovered to the **driver's home address** (or the

2. Policy Benefits

nearest **suitable garage** to the **driver's home address**) or if **you** would prefer and it is closer, **your** preferred destination within the **territorial limits (UK)**.

If the **vehicle** requires recovery, **you** must immediately inform **our rescue co-ordinator** of the address **you** would like the **vehicle** taken to. Recovery of the **vehicle** and **passengers** must take place at the same time as the initial **callout** otherwise **you** will have to pay for subsequent **callout** charges. Once the **vehicle** has been delivered to the nominated address, the **vehicle** will be left at **your** own risk and no further recovery costs will be covered in relation to the **claim**.

Laws and regulations limit the number of hours **recovery operators** can drive for. Regular breaks and/or 'changeovers' to a different **recovery operator** will often be required when transporting the **vehicle** prolonging the time it takes for the recovery to be completed. In some cases, it will be necessary to store the **vehicle** and deliver it at a later date. If this is necessary, **we** will pay reasonable travel expenses for the **passengers** to travel separately to the **vehicle**. If **you** would prefer to utilise **your** preferred **recovery operator**, please make this known to **our rescue co-ordinator**. **We** reserve the right not to authorise costs where **we** can make arrangements more cost effectively.

UK & Europe

If **you** have opted and paid for UK & European cover, it includes all of the same benefits as UK National cover, with the addition of Pre-Departure Cover, Driver Illness/Injury Cover and assistance within the **territorial limits (Europe)**.

Pre-Departure Cover

In the event of a **breakdown** within the **territorial limits (UK)** which occurs no more than 7 days prior to a pre-booked **trip** to the **territorial limits (Europe)**, providing the **vehicle** cannot be repaired by **your** intended departure date and **we** are immediately notified of the **breakdown**, **we** will pay up to £500 towards:

- the rental of a hire vehicle which **we** deem is appropriate for the purpose of **your** original **trip**; or
- the cost of rebooking **your** original sea or motorail crossing to the nearest available date once the **vehicle** has been repaired.

Cover will only apply if **you** can evidence in writing the duration of **your** planned **trip** was for less than 90 days.

We will only reimburse **claims** when **we** are in receipt of:

- valid proof of payment for the hire **vehicle** or the rebooked sea/motorail crossing tickets, together with copies of **your** original sea/motorail crossing tickets; and
- evidence from a **suitable garage** detailing the repairs made to the **vehicle**.

Pre-Departure Cover does not apply for any **breakdown** occurring within 10 days of **you** purchasing/upgrading this policy, or in the event the imminent or actual **breakdown** of the **vehicle** is discovered during an MOT or service carried out within 10 days prior to **your** intended departure.

Driver Illness/Injury

If **you** are unable to continue a journey in the **vehicle** within the **territorial limits (UK)** or **territorial**

2. Policy Benefits

limits (Europe) due to illness or injury to the driver of the **vehicle**, **we** will pay up to £500 in total towards:

- the cost of hiring an alternative driver to return the **vehicle** to **your** nominated destination within the **territorial limits (UK)**; or
- the recovery of the **vehicle** to **your** nominated destination within the **territorial limits (UK)**; and
- if any **passengers** are unable to accompany the **vehicle**: the reasonable alternative transport costs for the **passengers** to reach the same destination as the **vehicle**.

Payment of this benefit will be contingent upon **you** providing **us** with a medical certificate proving **you** are unable to drive. No more than £500 will be paid in relation to a **claim** made under this benefit.

Roadside Assistance Abroad

In the event of a **breakdown** occurring within the **territorial limits (Europe)**, **we** will pay for a **recovery operator** to attend the **breakdown** and where they deem appropriate, spend up to 60 minutes to try and repair the **vehicle**.

If, in the opinion of the **recovery operator**, they are unable to repair the **vehicle** within 60 minutes at the roadside, **we** will pay for the **vehicle** and **passengers** to be recovered to the nearest **suitable garage** which is able to undertake the repair.

In some countries, it may be necessary to initially store the **vehicle** and deliver it to the nearest **suitable garage** at a later date.

As with **breakdowns** occurring in the UK, it is **your** responsibility to appoint a **suitable garage** and oversee any repairs undertaken to the **vehicle**. **We** can help to locate a **suitable garage** and where possible, assist with translation, but **we** bear no responsibility for the services provided by any **suitable garage**. Some garages abroad will charge 'diagnostic fees' in order to issue a quotation for repairs. Diagnostic fees, together with any re-assembly fees are not covered by this policy.

Access to some motorways and major public roads within the **territorial limits (Europe)** may be restricted to a private towing service only. Should this occur, **you** will need to obtain assistance via the SOS phones. The private towing service will tow the **vehicle** to a place of safety and **you** will be required to pay for the service immediately. **You** can then contact **us** for further assistance. **We** will pay a maximum of £150 towards private towing services, but **we** will only reimburse **claims** when **we** are in receipt of valid proof of payment.

Recovery and Repatriation Abroad

If the **vehicle** cannot be repaired within 48 hours or by **your** intended return, whichever is due to occur last, **we** will:

Either: pay for the **vehicle** and **passengers** to be transported to the **driver's home address**;

Or: if **you** would prefer and it is closer, **your** original destination within the **territorial limits (Europe)**.

The mode of transportation for **you** and **your passengers** will be at **our** discretion.

Transporting **vehicles** back to the UK from abroad is usually a complex process which takes time, often several weeks. If **you** would like to arrange the repatriation of **your vehicle** independently or

2. Policy Benefits

extend **your trip** to wait for it to be repaired abroad, please discuss this with **our rescue co-ordinator** who will be able to consider how much **we** could contribute towards this.

Alternative Travel Abroad

In the event of a **breakdown** within the **territorial limits (Europe)**, **we** will pay up to £500 towards either the reasonable cost of **our** choice of public transport or an 'Economy' class hire car to enable the **passengers** to continue the **trip** whilst the **vehicle** remains unroadworthy.

We will also pay up to £200 towards the reasonable cost of alternative travel for two people to return and collect the repaired **vehicle**.

This benefit is in place to assist with the movement of **passengers** only, it is not designed to cover the cost of hiring a van or commercial vehicle. This policy will cover the costs of insurance and/or excess reduction fees in relation to hire cars, subject to the overall cost of Alternative Travel falling within the limits detailed in this section of cover.

Please bear in mind **you** may be unable to find a suitable hire car during peak season abroad and only other forms of alternative transport may be available to **you**.

Any travel costs associated with collecting/returning a hire car would be deducted from the £500 and £200 limits.

Emergency Overnight Accommodation Abroad

In the event of a **breakdown** within the **territorial limits (Europe)** where the **vehicle** cannot be repaired the same working day and which results in **you** not being able to stay at **your** pre-booked accommodation, **we** will pay up to £150 per person for one night towards the reasonable cost of emergency overnight accommodation including breakfast for all **passengers**. The maximum payment per incident for this benefit is £1,000 per **claim**.

This benefit does not include any costs associated with travelling to/from **your** Emergency Overnight Accommodation, however such costs can be considered under the Alternative Travel Abroad section above.

Shipping of Spare Parts

Where it is more efficient and cost effective to do so, **we** will pay the reasonable cost of shipping replacement parts to the repairing garage within the **territorial limits (Europe)**. **You** will be responsible for the cost of the replacement parts.

General Notes Relating to European Cover

If **you** have paid for UK & Europe cover, **we** will provide service in the **territorial limits (Europe)** where the maximum duration of any single **trip** does not exceed 90 days. However short-term policies (those with a **period of insurance** lasting one month or less) will be limited to a single **trip** not exceeding the **period of insurance**.

Due to differing national standards and infrastructures within the **territorial limits (Europe)**, assistance may take longer in arriving. **We** will need to know details of **your** itinerary and if requested proof of both **your** outbound and inbound travel dates must be provided to validate **your claim**. **You** must remain contactable to avoid any delays. During peak season and public holidays, many services such as repairing garages will be fully booked or closed.

2. Policy Benefits

3. General Notes

Statement of Demands and Needs

As with any insurance, it does not cover all situations and **you** should read the terms and conditions of this policy to make sure that it meets **your** specific needs.

Reclaim Procedure

All benefits may be offered on a pay/claim basis which means that **you** must pay initially and **we** will reimburse **you**. If a benefit is not offered on a pay/claim basis but **you** would prefer to make **your** own arrangements, please notify **our rescue co-ordinator**.

Before paying for any services which **you** intend on reclaiming, authorisation must be obtained from **our rescue co-ordinator**.

Please send copies of any itemised receipt(s) to reimbursements@call-assist.co.uk and **we** will reimburse valid costs once these have been verified/processed by **us**.

When **we** are reimbursing costs settled in a currency other than pound sterling (GBP), payment will be made in accordance with the exchange rate on the date of the **claim**.

Fair Usage Limits

This policy is subject to both a limit on the number of **claims**, and a limit on the total cost of **claims**, as detailed below.

3. General Notes

Number of Claims

Your policy schedule details the maximum number of **claims you** may make on this policy during the **period of insurance**. This is calculated as 300% of the number of **vehicles** on cover. For example, a policy covering 10 **vehicles** would have an overall **claim** limit of 30 **claims**. On a single vehicle policy, there would be an overall claim limit of 3 claims.

For multiple **vehicle** policies, no more than four **claims** can be made for the same **vehicle** during the **period of insurance**.

Cost of Claims

The default limit for the total level of indemnity offered by this policy is £10,000. However, if **your** policy covers more than 20 **vehicles** at the point of **claim**, this limit shall increase by £500 for each additional **vehicle** on cover.

For example, if **your** policy covers 10 **vehicles** at the point of **claim**, this policy will not cover more than £10,000 in **claims** costs during the **period of insurance**.

Your claims experience may be taken into consideration before **we** decide to offer renewal of this policy. In some cases, **we** may decide not to offer renewal and **you** may not be able to purchase cover with **us** in the future.

Governing Law

This policy will be governed by English Law, and **you** and **we** agree to submit to the non-exclusive jurisdiction of the courts of England and Wales.

Language

The contractual terms and conditions, communication and other information relating to this contract will be in the English language.

Measurements

All measurements are calculated using driving distances.

Garage Repairs

Any repairs undertaken either by a separate garage or a **recovery operator** at their premises are provided under a separate contract, which is between **you** and the repairer.

Signing Documentation

You may be asked to sign documents by the **recovery operator** which relate to the service being provided. Whilst **you** are not required to sign such documents, failure to do so may result in further services being denied. Please do not sign any documents until **you** have read and understood the content in full. In the event **you** require assistance with understanding such documents, please contact **us** on 01206 785999.

Estimated Arrival Times

Where **we** arrange for a **recovery operator** to attend **your vehicle**, **we** will provide an estimated time of arrival. Please note this estimate can change based on the availability of **recovery operators** at the time. We cannot guarantee the arrival of a **recovery operator** within a specified amount of time. If

3. General Notes

you would prefer to organise **your** own assistance, please obtain authorisation from **our rescue co-ordinator** before arranging this.

Emergency Repairs

Emergency repairs undertaken at the roadside by **recovery operators** cannot be guaranteed and in some cases, will not be attempted. Due to the nature of roadside assistance, it is not always possible for **recovery operators** to accurately diagnose the fault with the **vehicle** or state whether the **vehicle** is in a roadworthy condition or otherwise safe to drive. **Recovery operators** are not instructed to conduct **vehicle** health inspections.
